

What Training is available on Salesforce?

09/04/2025 12:24 pm BST

Salesforce offers Trailhead as a fun interactive way to learn how to use their products. Synaptic Pathways is built on the Salesforce platform and we utilise native functionality offered by Salesforce. Trailhead is free to use and can be accessed from your pc or via an app to your mobile device.

You can find our Knowledge in the top navigation bar. This includes:
