

Administrator Password Reset

16/06/2025 3:50 pm BST

If you are an Administrator and you require a password reset, you will need to contact our Application Support Team on 0808 164 5463 Option 1 or email Support@synaptic.co.uk to do this for you.

If you are an Administrator and a user requires a password reset, it is your responsibility to reset this. See article [How to reset a users password](#) for further details.
