

# Comparison & Ex-Ante using a CIP - Adviser Fees

Last Modified on 16/10/2023 12:30 pm BST

If Adviser Fees have been added to the segment within the CIP, they will be displayed in the **Fees** tab:

The screenshot displays the Synaptic software interface for a 'Susanna Comparison w/Ex-ante CIP'. The 'Fees' tab is active, showing a list of investments with their respective fees. The interface includes a search bar, navigation tabs (Investments, Trades, Fees, AUM), and a table of results. The table lists investments from various providers like Transact, AJ Bell, and 7IM, showing metrics such as Growth, Final Value, Total Fees, and RLY.
