

Income Analysis - Annuity

25/02/2025 12:21 pm GMT

This article is a continuation of [Income Analysis - Other Incomes](#)

From Provider Quote

An annuity quote will automatically generate when clicking into the Annuity tab. This is the best available Open Market Option annuity income obtained from the panel of annuity providers available

The screenshot shows the 'Income Analysis Research' interface. The 'Annuity' tab is selected, and the 'From Provider Quote' option is chosen. The main content area displays the following information:

- Indicative Annuity Income - Susanna West**
- Include Indicative Annuity Income
- Buttons: [From Projection](#) | [From Provider Quote](#)
- Text: "This is the best available Open Market Option annuity income obtained from the panel of annuity providers available."
- Logo: SCOTTISH WIDOWS
- Quote: **Indicative Annuity Income Quote**
£51,286.32 per annum gross.
Standard Annuity
- Button: [Get Enhanced Annuity Quote](#)
- Section: **Overriding Annuity Income**
- Override indicative annuity quote

Additional Information: The value returned will be the best available OMO income at that time. If you already have an annuity quote or you know your client will benefit from an enhanced annuity you can override the Indicative standard annuity quote value by using the functionality.
