From Projection

An annuity quote will automatically generate when clicking into the Annuity tab. This is an Indicative quote based on the projection:

The screenshot shows the 'Income Analysis ResearchDec' interface. The 'Annuity' tab is selected, and the 'Include Indicative Annuity Income' checkbox is checked. The 'From Projection' button is active. The indicative annuity income is displayed as **£90,004.70** per annum gross. The 'Additional Information' panel on the right states: 'The value returned will be the best available OMO income at that time. If you already have an annuity quote or you know your client will benefit from an enhanced annuity you can override the Indicative standard annuity quote value by using the functionality.'

From Provider Quote

This is the best available Open Market Option annuity income obtained from the panel of annuity providers available

The screenshot shows the 'Income Analysis test income Dec' interface. The 'Annuity' tab is selected, and the 'Include Indicative Annuity Income' checkbox is checked. The 'From Provider Quote' button is active. The indicative annuity income quote is displayed as **£72,278.16** per annum gross, provided by Standard Life Pension Annuity. The 'Additional Information' panel on the right states: 'The value returned will be the best available OMO income at that time. If you already have an annuity quote or you know your client will benefit from an enhanced annuity you can override the Indicative standard annuity quote value by using the functionality.'

Click **Get Enhanced Annuity Quote** if needed. This will open Synaptic Weblene in a new tab.
