

Can I quote joint life insurance on Webline, which pays out on second death?

Last Modified on 08/05/2024 9:39 am BST

You can quote on joint life on a last survivor basis for a whole of life policy. When you have filled in client A and client B details, you need to select the 'cover basis' to be 'joint last survivor' as shown in the screen shot below.

The dropdown list gives you options for joint first life and joint last survivor.
