

How do I update my Webline password in the Synaptic Suite?

Last Modified on 08/05/2024 9:39 am BST

To access Synaptic Webline through the Synaptic Suite, you will need to add your username and password with the Webline tab.

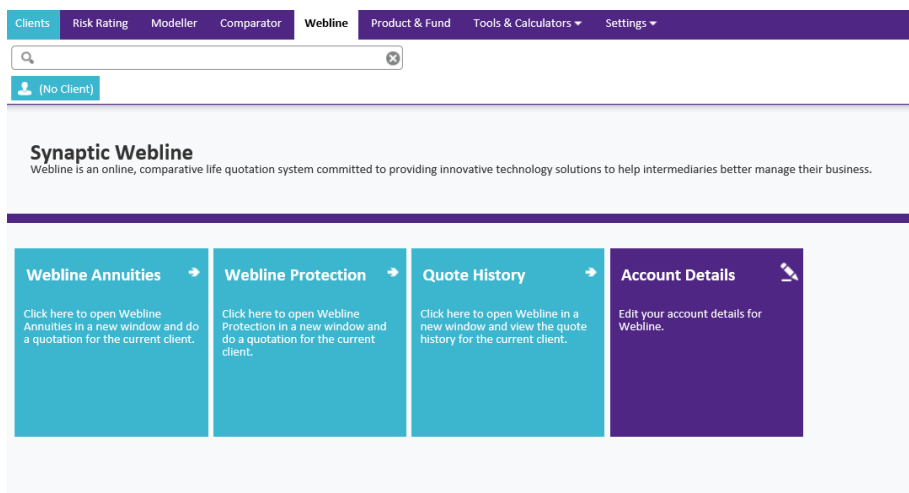

Navigate to www.synaptic.co.uk.

To logon onto the Synaptic Suite, click on the icon below:

Enter your logon details, or click the Unipass option to log into the suite.

Once logged in, click into the 'Webline' tab and select the 'Account Details' tile:

Enter your Synaptic Webline details:

Webline Account Details

Webline Number	<input type="text"/>	*
User Name	<input type="text"/>	*
Password	<input type="text"/>	*

Click 'Save' at the bottom right of the screen.

Your details have now been saved.
