

Add New User

Last Modified on 08/05/2024 9:39 am BST

By selecting this option, you can add new user accounts for WeblinE for your firm. Enter the new user details, selecting the relevant **Logon Type**:

'Vendor Administrator' - will allow the user to access all the settings area and customise WeblinE. This logon also includes the vendor user standard functionality.

'Vendor User' - will allow the user to use WeblinE to obtain quotes and apply electronically.

'Vendor Read Only' - is a read only account.

Check the box at the bottom of the screen to automatically e-mail these new details to the user.

Select **Add User** to save the details.
