# Provider Documents

Last Modified on 04/02/2025 12:45 pm GMT

To view or print Provider documents, click on the **Display Help** question mark at the top right of the screen:

Click into **Provider Documents**. Within this section, you will find a list of providers. Click on the provider required and their available documents will be displayed, as shown in this example below. Click **Open** to download and view, print or store the document(s) you want, one at a time.
