

# Multi Benefit Products - Decreasing Term Assurance

Last Modified on 04/02/2025 12:38 pm GMT

If **Decreasing Term Assurance** is selected you are able to make a selection for the quote from the following screen.

Select the **Mortgage Interest Rate** for **Decreasing Term**:

The screenshot shows the Webline interface for 'Decreasing Term Assurance'. The sidebar on the left contains navigation options: Clients, Products, Level Term Assurance, Decreasing Term Assurance (selected), Income Protection, Family Income Benefit, Waiver of Premium By Product, Results, and Apply. The main content area is titled 'Decreasing Term Assurance' and includes a 'Product details' section with the following options: Quote for (Life one selected, Life two, Both), Cover type (Life cover selected, Critical Illness cover, Life or earlier Critical Illness), Death benefit amount (£), and Term length (years). Below this is a 'Product features' section with a 'Mortgage interest rate' field (highlighted with a red box) and 'Rates' options (Guaranteed selected, Reviewable). The bottom navigation bar includes 'Quick Commission', 'Back', and 'Next' buttons.

This can include making a selection on **Critical Illness Cover** by selecting the appropriate button;

Cover type  Life cover  Critical Illness cover  Life or earlier Critical Illness
