

# Apply Basket - Send to my Email

Last Modified on 08/05/2024 9:39 am BST

You can send details of products in your Apply basket to your email address. This allows you to quickly link through to the Synaptic Webline Apply basket, or apply for each product directly from the email without logging in.

Click 'Send to my Email' at the bottom left of the screen:

The screenshot shows the Synaptic Webline interface. At the top, there is a navigation bar with 'Quote' and 'Find' buttons, and a user profile 'Amy Wood'. A purple banner at the top center reads 'If you require any assistance, please contact our support team' with the email 'Email support@synaptic.co.uk or call 0800 164 5463'. The main content area is a table with columns: Provider, Product Details, Benefit, Premium, Info, and Action. The table lists three products: 1. AVIVA Level Term Assurance Simple Life Insurance (96361874) with a benefit of £100,000 and premium of £13.45. 2. GUARDIANI Family Income Benefit Protection Builder without Child CI (96361877) with a benefit of £100,000 and premium of £78.38. 3. AVIVA Income Protection Income Protection- 2 year payment (96361879) with a benefit of £1,083 and premium of £31.68. Each product row has an 'Apply' button and a red 'X' icon. Below the table, an orange banner states: 'Your product selection could not be satisfied by a Multi-Benefit policy. Click to show the reasons why.' At the bottom left, there are two buttons: 'Send to my System' and 'Send to my Email' (highlighted with a red box). At the bottom right, there is a 'Back' button.

This will confirm the email has been sent to the email on your account:

The screenshot shows a confirmation message titled 'Your Contact Email'. The message text reads: 'Thank you. Your apply basket details have been sent to the email address [redacted] as requested. You will be able to retrieve these saved quote application details for 30 days from today, via the link in the email or by searching quotes from 'Find' functionality in Webline.' At the bottom right of the message box, there is a 'Close' button.

If an email address is not set within your account details, you will receive the below message. You will need to enter your email address and check your email for a link to complete the verification process. This link will expire in 15 days:

### Your Contact Email

Please enter the email address you wish to send your apply basket details to and link with your Weblin account. This email can be used for actions such as application retrieval and password retrieval.

Please add your email address

*\*This email address will be used as the Contact email address for this Weblin account and will require verification. Please check your inbox and click the verification link within 15 days. You can opt out in the Admin settings.*

[Close](#) [Submit](#)

### Your Contact Email

Thank you.

Your apply basket details have been sent to the email address [redacted] as requested.

You will be able to retrieve these saved quote application details for 30 days from today, via the link in the email or by searching quotes from 'Find' functionality in Weblin.

Your new Contact Email address [redacted] is awaiting verification. Please check your inbox and click the verification link within 15 days.

[Close](#)

Note : You are able to opt out of this option within the settings of Synaptic Weblin Annuities - Users> Manage> Edit Your Details>Opt out.

The below screenshot shows an example of the email you will receive.

You are able to click the button 'Return to Weblin Apply Page' to open the Synaptic Weblin Apply basket. Alternatively, if you are ready to apply, click on 'Apply Now' under each quote in the email to apply direct.

Hi Amy, here are the products you recently added to your Synaptic Webline Apply basket, would you like to apply now?
