

Creating Quotes - Multi Policy

Last Modified on 08/05/2024 9:39 am BST

This area will allow you to create up to four comparison quotes within the one quote request. You can do one quote request to quickly and easily compare premiums for different types of policies, for example the difference between a life only policy and a life and critical illness policy.

Multi-Policy Analysis Tool

Client Details

☒ Include Life A

Life A

Mr
Green
01/01/1981
Male ☒ Female ☐
Sales Executive
Change
30000

☒ Include Life B

Life B

Mrs
Green
02/09/1981
Male ☐ Female ☒
Sales Executive
Change
30000

The client screen will initially be displayed. Enter the client details.

Up to four types of protection products can be included in this quote. Simply select the **Policy** buttons to add the details.

A re-quote can be done by selecting any of the buttons along the top of the screen and amending the details.

The personalised single illustration and, if applicable the electronic application, can be accessed by clicking on the **Get Illustration and Apply Online** link for the chosen quote.

The single company quote screen will be displayed as previously explained in the term quotes.
