

Income Analysis - Advanced Options - Choosing your selected scenario

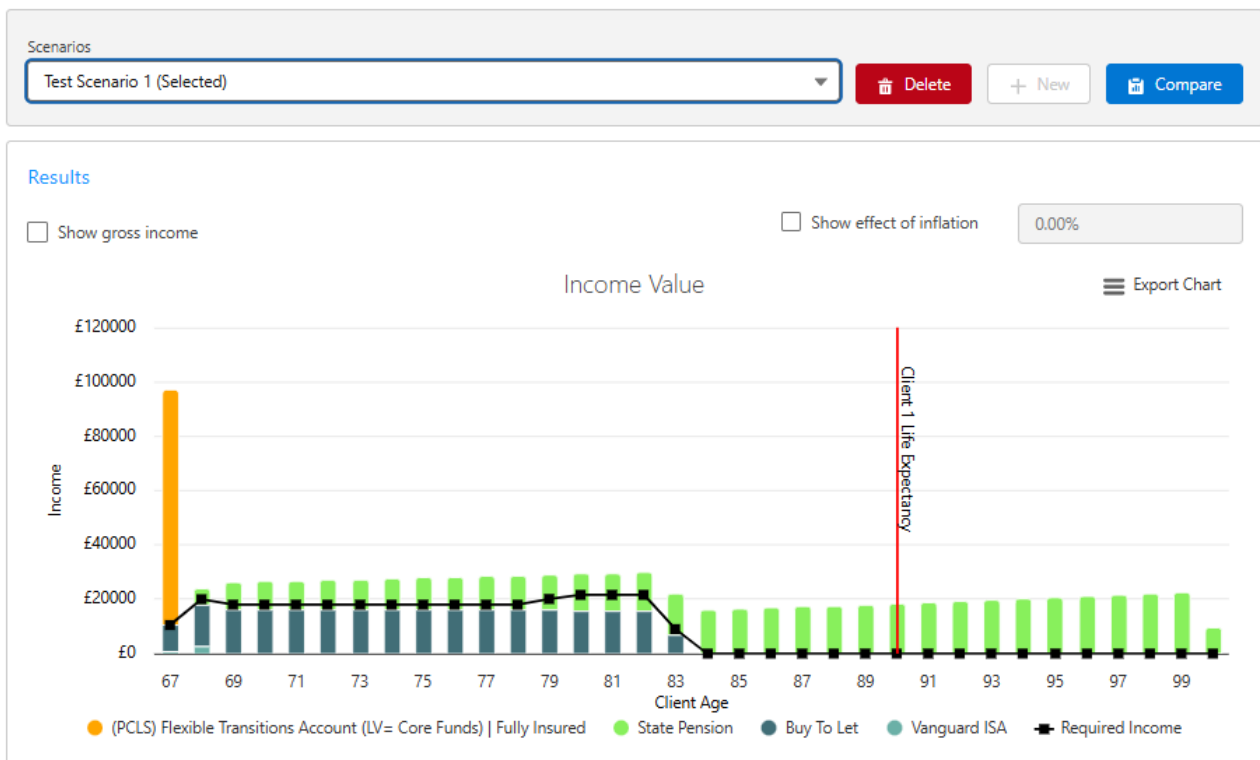

24/02/2025 12:53 pm GMT

This article is a continuation of [Income Analysis - Advanced Options - Compare](#)

When you have compared the scenarios, pick the selected scenario by choosing it from the dropdown

Once chosen it will show (Selected) in title:

This will be used as the chosen scenario in the report.

Additional scenarios will also be listed in the report as considered.
