

Can I add a note to a service contract?

15/05/2025 2:36 pm BST

Add any notes to the Additional Notes field on the left side of a Service Contract. It can take a maximum of 100 characters.

This field has been added to enter any information you would like to use in reporting, for e.g. DevOps references etc.

Service Contract Details

| | | |
|-----------------|---|------------------------------------------------|
| Reference | * | LV= - Weblin Bespoke Dev Ops Ref is [REDACTED] |
| Additional info | | Dev Ops Ref is [REDACTED] |
